## DIAGNOSIS RESOURCES FOR PROVIDERS

As a part of our mission we aim to equip providers with tools to communicate a Down syndrome diagnosis accurately without bias through provider-to-provider training, medical modules, and peer-reviewed journal publications.

Scan the QR code to access a library of resources to support you in delivering a Down syndrome diagnosis including:

- The Prenatal Consult Film
- *When Bad News Isn't Necessarily Bad: Recognizing Provider Bias When Sharing Unexpected News*
- ABP medical module titled, "The Art of Medicine..." (approved for MOC points)
- Jack's Basket brochures and a link to request a basket for your patient
